DIPLOMA REQUIREMENTS AND ELIGIBILITY

The student is eligible for the diploma when the following requirements have been met:

- Successfully complete 27 credits
- Required courses are completed with a passing grade
- Grade Point average is at least a “C”
- All electives must be Business, Financial Services or Computer Courses
- Up to half of the course credits needed for this diploma can be transferred from a college or university or by local credit review. All transfer courses must directly relate to the study of finance and financial services.
